

SEAMS NORD

Scandinavian Engineering Asset Maintenance Solutions

SEAMS NORD is a company specializing in maintenance engineering, safety and risk management, and product support solutions for the industrial sector. Our integrated approach to engineering asset management is designed to elevate performance, safety, cost-effectiveness, and profitability across your operations.

SEAMS NORD have accomplished a decade of executive and research experiences on various projects within Aerospace and Aviation, Mining, Railway, Power Plant and Energy sectors.

At **SEAMSNORD**, we aim to be your comprehensive partner by offering cutting-edge solutions and in-depth expertise. Our services are divided into two major areas:

Education and Training:

We provide a full spectrum of training solutions to meet the evolving needs of the industrial sector. Our tailored workshops and courses cover for instance:

- 
- Predictive and Preventive Maintenance Strategies,
 - Reliability-Centered Maintenance (RCM) Training,
 - Industry 4.0 and Maintenance Digitalization, Empowering organizations to implement IoT, AI, and data-driven maintenance,
 - CMMS (Computerized Maintenance Management Systems) Training,

And more related subjects covering everything from root cause analysis to Lean Maintenance methodologies.

Expert Solutions in Maintenance and Asset Management:

We help organizations optimize asset reliability and drive operational excellence. Our expertise spans a wide range of advanced maintenance services, including for example:

- 
- RAMS (Reliability, Availability, Maintainability, and Safety) Engineering
 - Lifecycle Cost (LCC) Analysis and Asset Lifecycle Management
 - Predictive Maintenance with Condition Monitoring Technologies
 - Using data analytics, sensors, and AI to predict failures before they happen.
 - Risk-Based Inspection (RBI) and Reliability Analytics
 - Total Productive Maintenance (TPM)
 - Advanced Robotics and Automation for Maintenance
 - Energy Efficiency and Sustainability Consulting

And more. Our aim is to offer a holistic approach to maintenance and asset management, positioning **SEAMSNORD** as your go-to partner for innovative and reliable solutions.
